

BIS155 Scholars,

Welcome to the May 2026 session. BIS155 focuses on Excel, which is an important skill for any student to have. We are providing the following opportunities to support and assist you as you learn Excel this session. **All sessions will be available in the Engageli playback room for review at any convenient time.**

To join go to ...

Modules > Live Lessons > Engageli Classroom Access: BIS155 May 2026 Learning Center(____)

Why Attend?
Each session begins with encouragement, continues with examples to learn vital lab concepts, covers lab projects in detail & ends with a game.
To get individual help with assignments each week (at the conclusion of the session).
