

CHECKLIST FOR ACADEMIC SUCCESS!

Quick Steps for Success:

- ✓ Confirm that you have the **technology** needed to be successful in your courses. *"DeVry recommends using a personal laptop with administrative privileges to install Office 365 and other specialized software required for select courses. Chromebooks, tablets, and smartphones will allow some course work to be completed but may **not** be able to accommodate all academic technologies."*
 - If you have any questions surrounding your technology needed for class, please contact your Professor. For additional assistance you can contact the IT HelpDesk at 1-877-306-4283.

- ✓ Download the **DeVry Mobile App**

- ✓ Access your [DeVry Student Portal](#)
- ✓ Login to the [DeVry Community](#) and connect with your peers

Review your Courses:

- ✓ Enter your **Canvas** course shell:
 - [Go to Class](#)
 - From the Dashboard, you can enter your courses by clicking the icon
 - Start with New Student Orientation, if you have not already done so
- ✓ Once in your course(s), go to **Modules** to view your weekly breakdown of class
 - Begin with the **Introduction and Resources** module to:
 - Locate your textbook
 - [Review Student Resources](#)
- ✓ Within your course(s), click **Announcements** and read through your professor's posts
 - If you have additional questions on Live Lesson or Homework Huddle schedules you can message your professor through the [Inbox](#)
- ✓ Get started in class by replying to the **Introduction Announcement**
- ✓ For additional support on navigating Canvas, you can view the [Canvas Orientation](#) video located on the **Home** screen within each course

Customize your Account:

- ✓ Personalize your **Account** by [creating a Profile and adding a picture](#)

- ✓ Within your Account, customize [Notifications](#) to receive important updates in your class
- ✓ Locate your [DeVry](#) email address in your Student Portal.
 - *NOTE: Save your email address for later use when downloading software for your courses
